

ALLERGEN & INTOLERANCES INFORMATION BOOKLET

We hope this information will enable everyone who comes to the Boars Head to enjoy our food.

This document contains all of our allergen information.

Our dish descriptions do not mention every ingredient, just ask us if unsure.

Our suppliers and kitchens handle numerous ingredients and allergens. Whilst we have strict controls in place to reduce the risk of contamination, unfortunately it is not possible for us to guarantee that our dishes will be 100% allergen free.

Please always inform waiting staff of an allergy before ordering so we can take extra care preparing your dish.

Should you have specific dietary requirements please ask the restaurant manager for details before you order.

SPECIALS

We are very proud of the talent within our Kitchen team and as such allow them the opportunity to express themselves within our daily specials by creating exciting fresh dishes taking advantage of our suppliers 'catch of the day' or seasonal produce.

Due to the evolving nature of the specials, our chefs may take a lead from customer feedback and react during service to improve a dish and amend ingredients.

You are welcome to discuss a dish from our specials with a manager on duty in regards to any allergens or intolerances you may have, however due to the nature of how these dishes are created it is likely that you will be advised to choose from our main menu.
